

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant : Vladimir Fuflyigin et al.                      Art Unit : 2883  
Serial No. : 10/720,606                                      Examiner : Eric K. Wong  
Filed : November 24, 2003  
Title : DIELECTRIC WAVEGUIDE AND METHOD OF MAKING THE SAME

**MAIL STOP AMENDMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

INFORMATION DISCLOSURE STATEMENT

Applicants request consideration of the references listed on the attached PTO-1449 form. Under 37 C.F.R. § 1.98 (a)(2)(ii), only copies of foreign patent documents and/or non-patent literature are enclosed. Copies of any listed U.S. patents or U.S. patent application publications can be provided upon request.

The following application is related to the present application in that it claims the benefit of, or priority to, one or more common applications:

1. U.S. Patent Application Serial No. 10/720,453, filed on November 24, 2003, now published as U.S. Publication No. US-2004/0137168 A1.

We invite the Examiner to review the prosecution file for this related application because they may disclose and claim similar subject matter. We presume that the Examiner has access to these files; however, we are happy to provide such files upon request.

CERTIFICATE OF MAILING BY FIRST CLASS MAIL

I hereby certify under 37 CFR §1.8(a) that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the date indicated below and is addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

June 1, 2006

This statement is being filed after a first Office action on the merits, but before receipt of a final Office action or a Notice of Allowance. A check for \$180 in payment of the late submission fee of §1.17(p) is enclosed. Please apply any other charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Date: 6/1/2006
